Dear Hon. Friend,

It has been brought to the notice of the Parliamentary Board that Honourable Ministers from one province when they go to another province are not giving advance intimation to the Governments of those provinces or States. This is creating certain embarassment to those Governments, because, a Minister when he goes from one province to another will have to be properly honoured and proper security measures have also to be taken. Therefore, it is the wish of the Parliamentary Board that whenever Ministers go to other provinces or States, they should send advance intimation to the concerned Governments about their programme. Kindly intimate this to your Ministers.

Yours sincerely,
(Kala Venkatarao)
General Secretary.
